Your welcome/assessment packet will be mailed to you as soon as we receive your application, the signed agreement, and your first payment.

Dear St. Thomas Aquinas Academy,
I, the undersigned, would like to utilize the four-month payment plan option to pay my family's enrollment fees. I have included my first payment with this application. I understand that my minimum monthly payment is due each month by the 30th until my entire "Total Amount Due" has been paid (which means four installments, each equal to 25% of the "Total Amount Due". I also understand that payment delinquency results in immediate cancellation of enrollment and halt of STAA staff services. "Past Due" fees will be assessed to my account and must be paid prior to reinstatement of our enrollment.

Calculate Your Payment:

$$\text{\$ } \underline{\hspace{2cm}} \div 4 = \text{\$ } \underline{\hspace{2cm}}$$

Total Amount Due ÷ 4 = Minimum Monthly Payment
